

# Phoenix Starr Academy of Dance College

Monday - Friday 9am - 5pm

Phoenix Starr offers intensive practical full time training in all performance disciplines with particular focus on Commercial and Hip-hop dance preparing all our students for a long lasting career in the arts.

We pride our selves on teaching Hip Hop culture, Styles, and History alongside our Technical classes to create dancers built for everything and anything.

The professional IDTA Accredited course we offer is structured to give students a real grounding in all aspects of the industry they have chosen.

At Phoenix Starr, students work with experienced teaching staff, but also with renowned successful choreographers, practitioners, and directors to provide them with the important contacts and a chance to network for their future careers.

We thrive ourselves on being a small college so we can have a 1 to 1 relationship with every student

We only take = 15 students per year - 3-year course  
and 15 students on the foundation course

Regular Workshops are held with agents, accountants and casting directors, Cv and Brand building, to keep students in touch with current professional practice, Teaching qualification so they are ready FOR all aspects of Dance Industry when they leave.

Phoenix Starr is committed to providing a High standard of Further Education & training.
