January 2020: 2 children waiting for places.

Date of update: 16 May 2018.

This setting is a maintained nursery school.

We are a Local Authority run Nursery School in the centre of Luton. The school has been running since the 1980's and we have taught and cared for generations of children. Chapel Street is a beautiful old building with lots of character and it has a wonderful garden where the children can play, run and climb.

Our staff are a mixture of teachers, Early Years workers and Early years Assistants. They have all been carefully chosen for their commitment to helping children to learn in a caring, playful, stimulating and fun environment.

The Nursery is run in family groups, with children aged between 2-5 years all in the same classrooms. We feel this helps their education, as the younger children learn from the older ones, and the older ones learn to care for the younger ones. We have many years of experience in looking after children with special needs, and keep our training up to date to give them the best possible support we can.

We pride ourselves on working in partnership with all our parents and carers, running termly meetings between parents and keyworkers to support the children's development.

We believe that it is our role to help the children become independent, confident, friendly and chatty young members of society and we work hard to achieve this for all the children in our care.

Head: Daryl Pritchard

Deputy Head: Sarah Gilbert

Family worker: Sarah Cain
