

Luton Community Housing Ltd

We provide 6 supported accommodation units for aged 16 to 24 homeless pregnant women or women who have just had a baby, in a staffed hostel with shared facilities whereby the resident undertakes a needs assessment and commits to a support plan and risk management plan if applicable with the goal of making life changed to enable herself to maintain a successful tenancy and to work towards achieving against the five outcomes set in Every Child Matters. The resident commits to meeting with their key worker weekly to discuss progress with their support plans, and to engage with the regime of the hostel e.g. resident meetings and resident involvement group meetings.
